Removal of Catering Rubbish	£50 per bin	

As a Millennium client, you are welcome to use whichever caterers you wish. We have local catering (details below) but fees apply for using the kitchen, servery and restaurant regardless of which caterer you use.

Please note, we ask that all caterers allow for one extra person in their evening meals during the week and lunch/supper over the weekend. This is for our Security Officer who covers stage security for long hours. Fees also apply if catering do not clean the commercial kitchen and servery areas post-use. Millennium Studios can provide cleaning equipment if needed.
